MOMENT OF SILENCE FOR HAITI EARTHQUAKE VICTIMS

(Ms. LEE of California asked and was given permission to address the House for 1 minute.)

Ms. LEE of California. Madam Speaker, I rise to ask for a moment of silence for the people of Haiti, for the American citizens in Haiti, for the Haitian American community, and for all of those whose families and friends have been injured or killed in this devastating earthquake. Of course, Haiti has suffered through many challenges and crises—earthquakes, hurricanes, food insecurity, hunger, poverty. Haiti needs increased attention and resources from the United States and the international community to help it recover during this difficult period. Of course, at this moment our priority is search and rescue.

We have been in touch with the administration, and the President is quickly deploying all available assets and resources to assist. We ask the global humanitarian community to help us in this massive, massive undertaking. Our commitment to Haiti must extend beyond this emergency period to recovery and to rebuilding efforts. Our thoughts and our prayers go out to all of those who have been impacted by this catastrophe of enormous proportions.
